

# Community FireSmart Information Session

**Thursday May 2, 2019 7PM**  
**Barnhartvale Hall (7370 Barnhartvale Rd)**

**Are you concerned** about the forest fire potential this year and how “close to home” the fires have been to YOUR community?

**The Barnhartvale Hall Committee is hosting an information session** for all Barnhartvale and Dallas residents who are interested in learning how YOU can take steps to reduce the ignition potential of YOUR homes, land and acreage during wildfire season.

**Experts** from the Forest Fuel Management Program will discuss various topics including: fire prevention and maintenance, community programs and funding opportunities for committed Fire Watch Communities.

If you require more information please contact Michelle @ (250) 318-6210

**Come out and learn more about what YOU can do to keep your FAMILY, home and property safe**

*Refreshments will be provided at the event*
